

Summerwood – BCS 1049

Notice to all Owners:

Annual Fire Inspection of All Units:

As required by the Township of Langley, Fraser Valley Fire Protection has been contracted to complete the annual testing of the smoke alarms and sprinkler systems in all units. This is a mandatory inspection in accordance with the fire code, and access must be gained to all units. Units that are missed on the dates below will be charged for the re-visit and inspection at a later date.

FVFP will be on site Thursday May 17th @ 9:30 am to start with unit #1. They are estimating 12-15min. per unit and will hopefully complete to units 60-65 the first day and will continue on Friday May 18th @ 9:30am to complete the rest of the development.

If you are leaving a key with a neighbor, please advise Council or Management so we can forward to Fraser Valley Fire Protection. Any questions or concerns, please e-mail Council:

council@summerwood.shawbiz.ca
